### 2008 NATIONAL DIRECTOR AND PAST PRESIDENT

Rod Cooper

Dear Mr. Gilliland,

Thank you for speaking at the AGC Membership Lunch on Friday, May 9, 2008. Your presentation of "Enjoy the Ride" was exceptional. Your passion and enthusiasm for life was evident throughout the entire presentation.

Our membership has a high expectation for every event that we put on. Based solely on your presentation we received over 15 phone calls of praise and more complimentary comments than could be counted.

For the first time that I can remember every member present stood up at the lunch and gave a standing ovation. You truly touched everyone in the room that day.

Thank you so much for meeting and exceeding our expectations of a motivational speaker. Please feel free to have any potential clients call our office for a recommendation.

Sincerely,

John Madole  
Executive Director
