

Steve,

I just wanted to thank you for an amazing experience that I and the rest of the CSRA SHRM chapter enjoyed last week when you spoke to our group at our annual conference. At a couple different points during your presentation, I walked around the room, looking at people's faces. You had everyone on the edge of their seat. Even the audio-visual guy we hired was hanging on your every word!

I received numerous kudos from the attendees on the great job that we did selecting this year's keynote. One woman told me afterwards that she had never heard a better presenter than Steve Gilliland. The tell-tale sign though that everyone enjoyed your message was that there were as many people still in their seats at the end of the conference as there were at the beginning.

I was fortunate enough to get a copy of "Enjoy the Ride" (before they sold out!) and can't wait to read it.

Thanks again for sharing your gift and talent with us. You really made an impression.

Sincerely,
