Dear Steve:

Thank you for serving as our keynote speaker at our annual Food Show.

Your "Enjoy the Ride" presentation really had a positive impact on everyone. We especially appreciate the fact that you took the time to personalize the message specifically for our group.

Steve, your wonderful sense of humor and your entertaining stories kept everyone laughing the entire time. You were definitely the "highlight" of the Food Show. You will certainly be a hard act to follow!

All of us are trying a little harder each day to "Enjoy the Ride."

Thanks again for an outstanding presentation.

Sincerely,
