Dear Steve,

On behalf of Raytheon Global Security Services, I would like to thank you for participating in our Annual Global Security Services Forum in Dallas. This year's forum was a success due in large part to the quality of speakers who provided relevant materials and timely information for the attendees. From the positive feedback we received, this year's forum was considered to be very beneficial.

Your participation contributed to the increased knowledge of those who attended and will serve to improve the industrial security program at Raytheon facilities across the country. Raytheon Global Security Services appreciates the support we received from you.

Sincerely,

Dan Schlehr
