

ILLINOIS ASSOCIATION OF MUTUAL INSURANCE COMPANIES

Dear Steve,

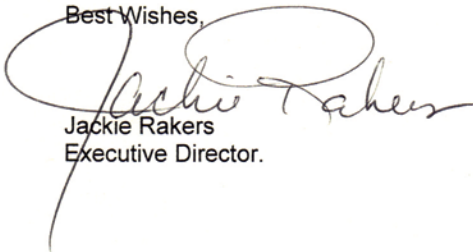

Thank you so much for speaking at our 126th annual convention August 13, 2007.

Your speech was fantastic and touched many of our member's lives! We provide our members with an evaluation form and I am glad to tell you that you received top scores from everyone! One client stated, "I loved the opening speaker. He was awesome, full of laughter with a little life lesson! Fantastic". I can't agree more!

Many members were commenting as they were leaving the opening session ~ everyone with a smile upon their face and a true desire in their hearts to take advantage of the education they were about to embark! Your message touched everyone and was a great start to our entire event!

I purchased your CD so that I could share your message with my family and friends. Thank you for speaking at our convention! I will be recommending you to everyone! Have a fabulous life.....I know you will! Take care!

Best Wishes,

Jackie Rakers
Executive Director.
