Dr. Wayne Davis, Executive Director

Dear Steve:

When I heard you speak at NAEPS in Nashville, I knew I wanted you to be the keynote speaker at the Idaho Association of Elementary School Principals' annual conference. Your "Enjoy the Ride" and "Leading with Heart" speeches made our conference a huge success.

The feedback that I received from attendees was all positive. One principal said, "I really enjoyed Steve's message. I wish we could have had more time with him."

Another principal had this to say, "I was especially impressed with Steve, and I needed to hear some of his stories to actually help me deal with some personal issues. The timing was perfect."

Your sense of humor and ability to share personal experiences with the audience entertained and inspired the audience. Through your words, the elementary principals will be able to renew their passion for their work.

Thank you for coming to Idaho and for sharing your passion with us.

Sincerely,

A handwritten signature in cursive script that reads "Kay Moor".
