MEETING PROFESSIONALS INTERNATIONAL

Dear Steve,

Very seldom does something exceed expectations—however, your keynote speech for MPI Orange County certainly did that! It was important that our 2nd Annual Education Conference begin on a positive note and “Enjoy the Ride” was that and more.

Your personable, friendly and warm presentation made everyone relate to the content. I am sure you are aware that amidst the abundant laughter there was more than a tear or two. Your speaking abilities are powerful and I know that your message was heard by everyone in the room. I was amazed at how quiet everyone was after the presentation—I have never seen everyone in the room fill out an evaluation for MPI! The raves, of course, were unanimous.

Thank you so much for your part in making our conference a success. I look forward to seeing you at other MPI functions, as I know that meeting professionals can benefit greatly by your insight and focus on the positive side of life!

Best Regards,

Mary Ann Crook
