Dear Steve:

I want to thank you for the great presentation of "Enjoy the Ride" at the NAEB Annual Meeting in Orlando. Your presentation was perfect for our theme and provided an early morning lift for the attendees. I know a breakfast presentation is a tough slot, but you filled it very well.

I appreciate the fact that you spent some time with us. I believe those days enhanced your understanding of NAEB and contributed to the success of your presentation. The feedback I received was excellent.

On behalf of the NAEB Board and the Annual Meeting Program Committee, I want to thank you again for a job well done. In fact, it was "outstanding."

Sincerely,

  
Ray T. Jensen, C.P.M.  
President
