Dear Mr. Gilliland,

I want to thank you for coming to Baltimore, Maryland to speak at the Department of the Navy's Human Resource Conference. Your efforts prior to the presentation to find out the issues/concerns at the heart of our organization helped to make your presentation an overwhelming success! Your ability to inspire an audience is truly a gift.

You were the perfect choice to kick off our conference. You set the right tone and we continue to receive glowing reports, both about the conference and your presentation. Keep doing what you do so well- motivating people to check their passion and make change.

Sincerely,
