Dear Steve,

Thank you for your tremendous presentation, Enjoy the Ride: the Journey Continues, at our annual Road to Excellence Conference. You kicked off the second day of the conference by coming out and challenging our attendees. You gave them a lot of information to think about. You even managed to ruffle a few feathers – a sure sign that people were listening. The evaluations for your presentation were great. Our participants enjoyed you in 2004 and wanted you to return. You wowed them 2008!

Again, thank you for making our conference a success!

Best wishes,
