J. DOUG PRUITT
CHAIRMAN & CEO

Dear Steve:

On behalf of Sundt Construction, I would like to thank you for the outstanding presentation that you provided during the Leadership Academy. It was very inspirational, but also a lot of fun. The meeting was filled with laughter, and I heard wonderful comments about your presentation all last week.

I especially appreciate the effort you made to learn about our culture, our vision, and the names of our leaders.

We are grateful for your investment of time, effort, energy and talent. The preparation, planning and organization of your presentation were outstanding. It was apparent to us that our audience was very much interested in the topic discussed in your presentation. Your theme fit perfectly with the cultural themes we are promoting at Sundt.

Thank you again for a great presentation! It was a pleasure to work with you. I am happy to recommend you to any organization looking for a terrific speaker for their special events.

Warm Regards,

SUNDT CONSTRUCTION, INC.

J. Doug Pruitt
