

WHITEHOUSE ISD

Dear Mr. Gilliland,

Your presentation at the District Wide Assembly for Whitehouse ISD was outstanding. It was motivational as well as inspirational. The presentation was real world, funny, sad, and uplifting. As I am sure you could tell from the standing ovation you received, everyone truly enjoyed their time with you.

Teachers have emailed me saying it was the best opening assembly they had ever attended because of your presentation. One of the instructional consultants for the district said, "I heard FANTASTIC praise for the speaker last Friday. Everyone seemed to relate well to his message."

Thank you again for helping WISD have a great start to a new school year.

Sincerely,

Betty Lough
